

Christmas/Birthday List 2023

Many people ask what I need or want for my birthday and Christmas. Instead of answering everyone individually, I have made a list to give to my friends and fans. I hope this makes things a little easier on everyone. I so appreciate all of my friends and fans!

This is my wish list. Birthday (Sept. 24) and Christmas are very important to me. I'd love to receive fresh roses and love to have a chocolate edible arrangement. I would also love to hear from all of you – my friends and godly family- on my birthday. That means so much to me! You can't have a birthday without a cake.
